D. HOGAN CATCHES  
FIRST FISH JULY 4

"Denny" Hogan is rejoicing over the fact that he caught his first fish July 4 at Long lake, whither he had gone for a vacation. "Denny" is 38 years old and had never caught a fish before in his lifetime and when he pulled his first fish out of the waters of Long lake, July 4, he modestly confessed to have his photograph taken

and we have had a cut made from the photograph, which not only shows the fish, but a couple of others which Denny borrowed for the occasion. The photo also shows some of the tan and sunburn which Denny took on while at the lake.

A little learning is a dangerous thing—especially if it is something a man's wife has learned about him.

**Home on Furlough.**  
James S. Johnson, a sailor stationed at Saunders Rifle Range, Glen Burnie, Maryland, is in the city visiting with his wife at the home of her parents, Mr. and Mrs. Frank Phillips on a ten day furlough. Mr. Johnson is being transferred from the range at Glen Burnie to a range in New Jersey. He has been at the same place that Hubert M. Engemann and Martin J. Engemann, brothers of the editor of the Banner-News, are located.

Old Noah was a great hall player. He pitched the ark without and withing and later in the game he put the dove out on a fly.

There is nothing so apt to make a man economize as the lack of money.

If a girl is pretty her knowledge of the fact is apt to spoil the effect.

## Hanks' Fourth of July Party.

It was an orderly group of more than 40 people that gathered at the home of Mr. and Mrs. E. H. Hanks on South Bridge street to celebrate the Fourth. An excellent chicken dinner was served to which full justice was done. After dinner the party broke up into several groups to inspect the new homestead and offer suggestions as to the uses to which it is best adapted. The 85 foot well recently completed and now furnishing an ample supply of good water naturally attracted attention. A few of the party could not help taking in the opposing attraction of H. J. Leonard industriously cultivating and incidentally watering his newly planted strawberry bed on the other side of the road. Judging from the trend of the conversation everybody seemed to enjoy themselves. Come to think of it does anybody recall one of "Aunt Martha's" parties where everybody didn't enjoy themselves. The out-of-town and old neighbor guests included Mr. and Mrs. Earl Farthing, of Grand Rapids, Mrs. Ida Shaw of Smyrna, Mrs. Libby Shaw and Mrs. Jennie Legg of Greenville. Long may the spirit and memory of these good times be with us all.

## Caught Young Hawks.

While out in the huckleberry marsh Monday Mrs. Clyde Alchin came across a hawk's nest containing three young hawks and an unhatched egg. They took the young birds home and set a trap and soon caught one of the parent hawks. The other hawk soared around the place but evidently was too wise to go near the nest and they were unable to get it in the trap. It is not a very common occurrence to find a nest of this species of bird and still more uncommon to find three of the young birds in the nest.
